*PHS mission: To develop lifelong learners who value themselves, contribute positively to their community and succeed in an ever changing world.*

April 2, 2020

The Prairie Home School District has been monitoring the COVID-19 Virus Updates. It has been decided the school will remain closed until further notice as this is in the best interest of our students. It is hoped that the students can return by Monday, April 27th. As new information is brought forth daily we will inform you as soon as we can.

The school district will continue providing breakfast and lunches for those who have signed-up and if you wish to sign-up you can do so by logging into [www.prairiehome.k12.mo.us](http://www.prairiehome.k12.mo.us). You will use this website by filling out the form on-line.

Meals will be delivered Monday and Thursday to the houses signed-up between 11 a.m.-1 p.m. to a cooler set outside of the house. If you have any questions please call the office at 660-841-5296 between 8 a.m.- 4 p.m.

At this time the school will be closed to all except essential workers. This also includes the playground and basketball court. Teachers will continue to check-in with students and use digital platforms to keep learning going. Packets will be delivered or mailed. There will be no more drop-offs for students. We encourage students to keep submitting work by digital means even if that means taking pictures of their completed homework. With the "Stay at Home" order that has been put into place we can stop the transmission of the virus. Your teachers will be contacting you soon as to what digital platforms they will be using.

We appreciate all of your help in continuing the education process. It is our hope that we will continue the education at all levels. We know that this has added stress to all of us, but it is important to continue to advance all students on their educational journey during this uncertain time.

If you have any questions, please call the school.

Sincerely

Michele Rex  
Superintendent
