

Updates from Ms. Stemler

The first thing that I would like to address is the fact that school will be closed for the rest of the year, June 5. I think that I can speak for each of us when I say that this marks a sad time for everyone. But, it is especially difficult for our 8th graders who are promoting to the next level in their education, high school. Don't worry 8th grade class, we will not send you off without some type of celebration for all of your hard work, you've earned it.

It has been another busy week at New Hope as all of the staff prepares to take the next step into "Distance Learning". And, it looks like the week of April 6 will be just as busy as we (teachers, students, and parents) settle into our new normal.

Here are the latest updates for this week, March 30-April 3:

- ❖ **School is closed until the end of the year, June 5**
- ❖ **Chromebooks and text books will be checked out on April 6, between 11:00 a.m. – 1:00 p.m., pickup will be drive-thru, and parents will need to sign for each Chromebook. If you cannot make this time, it is important to contact Lupe in the office.**
- ❖ **Online learning and student packets will start on Tuesday, April 7**
- ❖ **Monday, April 13 school will not be in session**
- ❖ **Beginning Tuesday, April 14, lunches will be served on Mondays, Tuesdays (2 days of meals), and Thursdays (2 days of meals)**

I know that this transition is going to be difficult; therefore, it is important for you to know that you are not alone in this process. When you have questions or concerns, it is important that you reach out to your child's teacher right away. Remember, "We are stronger together".

Stay Healthy Everyone,

Janet Stemler
