

# Found Object Color Wheel (High School)

(3/30-4/3)

Using objects in your house, create the primary colors, secondary colors, and tertiary colors to create a color wheel. Try to be creative. You can use toys, jewelry, clothes, etc.

Examples of found object color wheel.

Once the work is complete, photograph your creation. Send photographs to [kjones@galatiak-12.org](mailto:kjones@galatiak-12.org). I can't wait to see what you have created!
