

Alliance High School Remote Learning Schedule

Students should set the following times aside to be available for Zoom meets while continuing to check Google Classroom for any additional assignments and information. Virtual Classroom times are listed below. Please check your email and Google Classroom for some adjusted times. Your teachers will invite you and give the exact times. Attendance will not be taken, so don't worry if you can't be on at the time of the class meeting. All Virtual Classrooms will be recorded and sent out to students through Google Classroom.

Most teachers will have daily Office Hours from noon to 2:00pm. Students can email their teachers to get help with their work. Teachers can also set up Zoom meetings during this time. This new Remote Learning plan will start Tuesday, April 14th.

	Math/Science/Performing Arts/Business/PE/Health	ELA/Social Studies/World Languages/Visual Arts/Career Tech
