

Good morning Royal River parents and students.

As we start our second week of Remote Learning, team teachers will be having live remote office hours. These office hours will happen through Google Hangouts. There will be a link posted in your Google Classroom on the day of the office hours. If you would like to join to ask a question or listen to others ask questions, feel free to drop in. These hours are not for direct instruction and are optional.

A few helpful guidelines:

- 1) When you enter the hangout, make sure you are in a quiet space.
- 2) Mute yourself when you are not talking.
- 3) To talk, raise your hand or type your question in the chat.
- 4) A teacher will call on you and then you can unmute yourself to talk to the teacher.
- 5) When you are done talking with the teacher, mute yourself again.
- 6) When the teacher ends the session, you must leave and should not return again until the next posted office hours.
- 7) You may visit office hours even if you do not have a question. You can just listen to others and be a part of the community.
- 8) All school and team rules for behavior apply. If you are naughty, you will be removed and receive a write-up. (Not that this will happen to anyone)
