

Support CAS with PTO Dues!

Please support the CAS PTO (Parent-Teacher Organization) with your voluntary annual dues donation. We are a volunteer-run organization focused on enriching the CAS learning community. Your generous contribution allows the PTO to carry out activities for CAS students and teachers. Your family benefits from the PTO whether your child enjoys lessons in the garden, checking out books, participating in assemblies, International Day, STEM activities, family events, playing chess or many other PTO programs.

We are asking for \$35 per family donation.

Please contribute more or less as your circumstances allow. Questions about Dues or anything PTO? Please contact your PTO Presidents at caspto@gmail.com

Thank you for supporting CAS!
