

## **5th Grade ELA Students:**

Many of you have been working to complete the [studyisland.com](http://studyisland.com) assignments given to you in mid March. Keep working on those topics until all of them have been covered. Keep trying for those blue ribbons!

**I have included a Quick Start Guide for [ReadWorks.org](http://ReadWorks.org) for students that have not been involved in reading online. These lessons will be graded on the given due date listed with the assignment. I want to make this reading time as enjoyable as possible. Please restate when you are answering an extended response question. Also, remember to proofread before submitting your responses. Happy Reading!**

## **How to get students to their assignments**

1. Students go to [www.readworks.org/student](http://www.readworks.org/student)
  2. Students enter class code **WGCXCU**
  3. Tell your students that their default password is **1234**
- Note:** Students can change their passwords when they log in, and you can change student passwords on this page.

# Quick Start Guide for Students

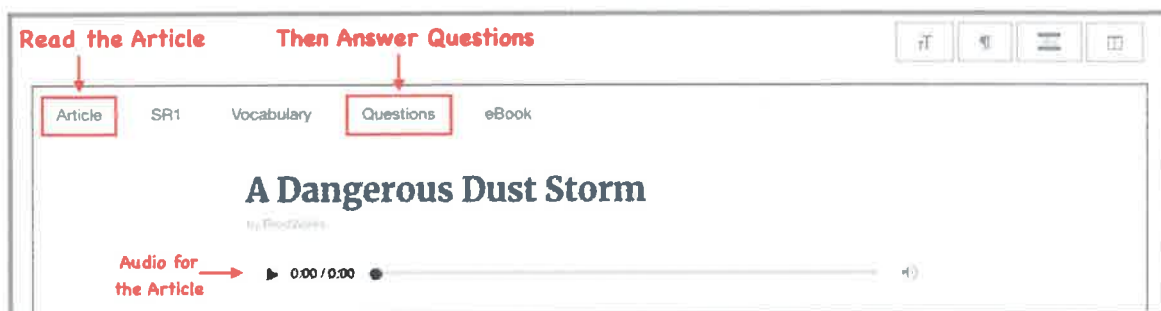

(In a Rostered Class)

## Step 1: Log In with your Class Code

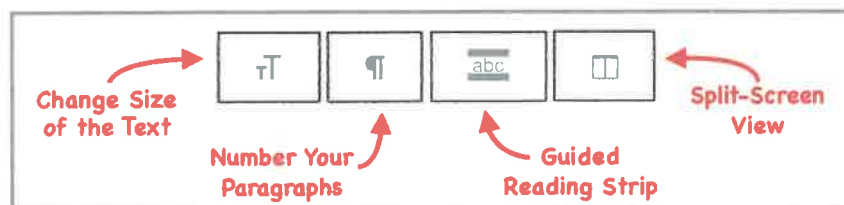

1. Go to [www.readworks.org/student](http://www.readworks.org/student)
2. Enter the class code your teacher has given you
3. Click on your name from the list
4. Enter '1234' or the password your teacher has given you and click 'continue' to log in

## Step 2: Do Your Assignments

1. Under 'Assignments To Do', find your assignment and click on the title
2. Read the article and answer questions

3. Use the student toolbar to help you complete your assignment

4. When you're done click 'submit'

## Step 3: See Your Results

1. Click on 'Submitted Assignments'
2. Find your assignment, and click on the 'See Your Results' button
3. At the top of the page, you will see how you did under 'Your Results'
4. If your teacher gave you any written feedback, it will be under 'Teacher Feedback'.

# Happy Reading!

## **5<sup>th</sup> Grade Math and Math Lab Students**

**In place of paperwork for the remainder of the year we would like you to use the following online resources that we already have in place:**

**\*Study Island: Try to earn as many ribbons as possible for the fifth grade. If you don't get a blue ribbon the first time, keep trying. 😊**

**Your Login should be – firstnamelastname.rh**

**Your Password should be – abc**

**\*Sumdog: Play as much as possible for practice. You should have or know your passwords. I will try to set up challenges once a week for you to earn extra coins and I will open your houses as much as I can for you to spend them. If you don't know your login information your parents can email me at [ksmith@rockhill.org](mailto:ksmith@rockhill.org)**

## **5<sup>th</sup> Grade Science and Social Studies**

**Use the following online resources:**

**Study Island: Continue with the Ohio 5<sup>th</sup> Grade Standards then the 5<sup>th</sup> Grade National Standards.**

**Moby Max: 5<sup>th</sup> Grade Science**

**You Tube: Watch the “America the Story of Us” series from the History Channel.**
