Dear Families,

Camp Storer is a field trip Tinora 5th graders look forward to each year. Unfortunately, this year's trip will not take place on the scheduled dates in May.

While we are disappointed about not being able to go this spring, there is good news. We have arranged for this year's 5th graders, the class of 2027, to go to camp in the fall as 6th graders! The 5th grade teachers will accompany the students on this trip. This will not affect next year's 5th grade class, as their trip will still take place in the spring of 2021.

Tentative dates for the Camp Storer trip for this year's 5th grade class are September 28-30, 2020.

We understand this will probably change our list of chaperones, so this and other logistics will need to be addressed. Please look for more information on this in the future.

Our students worked hard to raise funds for this trip, and we along with our administration feel they should have the opportunity to go to camp. The field trip to Camp Storer is an awesome experience, and we are excited to be able to continue this outdoor educational trip!

Thank you!

Tinora 5th Grade Teachers
