AD RATES

Now – April 3: \$40 per block April 3 – April 17: \$50 per block

*This year the yearbook is an all color book, so there is no longer an option of choosing between black and white or color; all ads will be in color!

Recommendations for amount of content:

We recommend no more than one photo per block of ad space you purchase. Placing more than one photo in a block will result in photos being smaller. Longer messages require more space. While we have no limit on the amount of words you can have, the fewer you have in a one-block ad, the larger the words and photos will be.
