Family School Families!

Keep Battling! We are in a very difficult, very different, unprecedented time! I just want to remind you that you are doing a great job and we will continue to work together through the end of the year to assure you child's success. Please let me know of any special circumstances that may have come as a result of the COVID 19 mandates. I am flexible and willing to work with you.

Here are the lesson plans for the next three weeks. Please be sure to save your child's work in a three ring binder, folder, or another method of your choice. Please have your students complete the assignments outlined below over the next three weeks.

Math:

Please continue to complete three lessons per week from your math book. This week will be lessons 112-114. Next week: lessons 115-117. The week after that: lessons 118-120. Please be sure to read the new concept sections and practice problems to be sure you understand the lessons. Please read through the Investigations when you come across them, but you do not have to complete the work unless you want to.

Reminder: Continue grading each lesson in a different color of ink or colored pencil and correct the problems that were wrong.

Please begin to give your child a test after every 5th lesson. See test attachment for these.

Reading:

Please choose a grade level book of your choice and continue reading 3 chapters per week. Also, continue creating 3 comprehension questions and answers per chapter. Keep these questions and answers in

Also, independent reading for at least 30 minutes a day would be a great benefit to your child.

Grammar:

Please complete the grammar packet. (Grammar Folder)

Spelling:

Please complete one spelling lesson per week and give your child a spelling test over the words. Generally the sections are labeled: *Independent Practice*, *Dictionary*, *Spelling Spree*. You should be on lesson 27 this week.

Thank you!

Please contact me with questions /concerns. (505-803-1259) Mr. David
