

We will be delivering new assignment packets (#11-17) via bus routes this Wednesday morning beginning at 10am. The 3 attached routes have tentative times that we will be on certain streets. Please allow 15-20 minute cushions before or after to adjust for circumstances beyond our control. Approximately 40 Families have communicated their needs for assignment delivery through their teachers and school offices. If you are in need of delivery, please contact a teacher or school secretary via email or call the school helpline at (330)426-5310 before 8am on Wednesday (4/8/20) to get your name on the list. If you are not in need of delivery but wanted to be outside to wave as the bus drives by I am sure that would also be appreciated. We will be adhering to all social distancing and CDC recommendations during this process.
