

**ELLSWORTH SCHOOL DEPARTMENT
TECHNOLOGY PROTECTION PROGRAM FORM**

The Ellsworth School Department (ESD) Board (ESDB) offers a Technology Protection Program (TPP) that provides financial protection for parents/guardians for “non-warranty/non-misuse” technology repairs. Parents/guardians have the option to participate in this optional TPP provided by the ESDB. The TPP is intended to cover all incidental damage. not covered by manufacturer warranty. It will not cover damage that has been determined, by the ESD Technology Department and/or Administration, to be: vandalism, negligence, misuse, or intentional damage (including missing, lost, or stolen power adapters).

Cost for participation for the 2022 - 2023 school year is a “school year” program fee of \$35, with a \$50 incident fee for each occurrence of non-warranty damage. This program does not cover lost or stolen chargers, for which there will be a \$40 replacement fee. Devices will not be issued until the TPP form is signed and returned. The TPP fee is due by September 30, 2022. If you choose not to enroll, you will be responsible for the entire cost of any repair. not covered by warranty.

Program Fee for the school year

- \$35.00 per year
- \$20 per student, not to exceed \$30 per family, for reduced lunch eligible students
- \$10 per student, not to exceed \$15 per family, for free lunch eligible students

How it Works: For example, if you are enrolled in the TPP and your child’s school issued device (iPad, Chromebook or MacBook Air) has a broken screen determined **not** to be misuse, payment due would be the \$50.00 incident fee, versus the actual cost of a screen replacement.

Chromebooks and Apple products require the units to be shipped out of district to be repaired at a Certified Repair Center. Technology equipment will NOT be sent out for repair until payment has been made.
