**Re:** 2011-12 Technology Lease  
**Date:** January 5, 2012

The following items represent the equipment for the second of our 2011-12 Technology Lease of \$221,229.95:

- 420 iPad2's for students in grades 9-11
- Protective cases for the iPad2's
- Server to handle increased load of high school

This additional lease will be timed to obtain the iPad2's for a scheduled deployment to students in grades 9-11 by March 1, 2012.

**Please Note:** This year's technology lease was divided into two parts to facilitate the 1:1 Mobile Learning Initiative at Cape Elizabeth High School. This initiative was partially funded by a Spring 2011 CEEF grant (in the amount of \$43,740.00) that provided iPad2's and professional development to our high school staff. The two lease payments in total will not exceed the budgeted amount of \$114,779.
