

**PROCUREMENT  
(REGULATION)**

**SECTION I - PROCUREMENT PLAN GENERAL REQUIREMENTS**

The Canadian Public Schools plan for procuring items for use in the Child Nutrition Program is as follows:

1. The procurement plan provides for free and open competition, transparency in transactions, comparability, and documentation of all procurement activities.
2. The following **Code of Conduct** will be expected of all persons who are engaged in the awarding and administration of contracts supported by Child Nutrition reimbursement funds. These written standards of conduct include:
  - a. No employee, officer, or agent shall purchase or establish a contract if a conflict of interest, real or apparent, would be involved. Conflicts of interest arise when one of the following has a financial or other interest in the firm selected for the award:
    - 1) The employee, officer, or agent;
    - 2) Any member of the immediate family;
    - 3) His or her partner;
    - 4) An organization which employs or is about to employ one of the above.
  - b. Employees, officers, or agents shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to sub-agreements.
  - c. The purchase during the school day of any food or service from a contractor for individual use is prohibited.
  - d. No item, food, or beverage purchased with nonprofit school food service funds will be removed from the school premises by school personnel.
  - e. Penalties for violation of the standards of code of conduct of the SFA School Child Nutrition Program (CNP) should be:
    - 1) Reprimand by Board of Education
    - 2) Dismissal by Board of Education
    - 3) Any legal action necessary
3. Regardless of procurement method, the following factors will be determined regarding the allowability of costs:
  - a. Be necessary and reasonable for proper and efficient administration of the program(s)
  - b. Be allocable to federal awards applicable to the administration of the programs(s)
  - c. Be authorized and not prohibited under state and local laws
4. Purchasing will be conducted at the most restrictive procurement threshold:

	Federal Procurement Thresholds	SFA/Sponsor Procurement Thresholds
Micro-purchasing	Less than \$10,000	Less than \$10,000
Equipment	Over \$5,000	Over \$5,000
Small/Informal	Less than \$250,000	Less than \$150,000
Formal	Greater than \$250,000 or any total Food Service Management Contract	\$150,000 or greater

**PROCUREMENT, REGULATION (Cont.)**

5. All staff conducting purchasing will be trained on the procurement procedures.
6. All purchasing records will be maintained no less than the current year plus 3 additional years.
7. **Buy American Provision**

Section 104(d) amended Section 12(n) of the National School Lunch Act (NSLA) (42 U.S. 1760) to require SFAs participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) in the United States *to purchase for those programs, to the maximum extent practicable, domestic United States Department of Agriculture (USDA) Foods or products*. For purposes of this provision, the term domestic food commodity or product means agricultural USDA Foods produced in the United States, including Guam, American Samoa, the Virgin Islands, Puerto Rico, and the Northern Mariana Islands, and food products processed in the United States **SUBSTANTIALLY** using agricultural USDA Foods that are produced in the United States. The Conference Report accompanying Public Law 105-336 makes it clear that the term **SUBSTANTIALLY** means that over 51 percent of the processed food comes from American produced products. (SD-24-2016)
8. **Geographical Preference**

The use of statutorily or administratively imposed in-state or local geographic preferences for procurements under USDA entitlement programs is prohibited, except for unprocessed locally grown or locally raised agricultural products. The Food, Conservation, and Energy Act of 2008 (Public Law 110-246, Section 4302), amended Section 9(j) of the National School Lunch Act (NSLA) to allow institutions receiving funds through CNP to apply a geographic preference when procuring unprocessed locally grown or locally raised agricultural products.

When geographic preference is used, an SFA must still get quotes from several farmers when procuring unprocessed locally grown or locally raised agricultural products so that competitors have an opportunity to compete for the bid.
9. **Protest procedures** are required. SFAs will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the SFA before pursuing a protest with a federal agency. Reviews of protests by the federal agency will be limited to: (Reference USDA Policy Memo2006-SNP-06)
  - a. Violations of federal law or regulations and the standard of 7 CFR §3016 (violations of state or local law will be under the jurisdiction of state or local authorities).  
AND
  - b. Violations of the SFA's protest procedures for failure to review a complaint or protest. Protests received by the federal agency other than those specified above will be referred to the SFA.
10. **Beverage and Snack Agreements** (Reference USDA Policy Memo 99-SP-09)

In some cases, the exclusive contracts do not involve nonprofit school food service account (SFSA) funds, in which case there are no federal FNS procurement issues involved. However, if any nonprofit school food service products are purchased via the exclusive contract, then all federal procurement requirements must be met. If small purchase procedures are used for a procurement of \$250,000 or less, price or rate quotations must be obtained from an adequate number of qualified sources. Additionally, if nonprofit school food service products are included in the contract, any rebates, commissions, scholarship fund

**PROCUREMENT, REGULATION (Cont.)**

contributions, or any other payments back to the SFA or SFA-related organizations must be reimbursed to the nonprofit SFA on a prorated basis.

- a. No federal prohibition on multiyear contracts other than for FSMCs. It is suggested, however, that school procurement officials consider the impact of multiyear contracts, as opposed to one-year contracts, on beverages and snacks. Long-term contracts would appear to be more appropriate for nonperishable products and services such as warehousing and equipment rental. As noted above, however, there is no federal prohibition on these longer-term contracts.
  - b. Public Law 108-265, Section 102, requires a school participating in the NSLP shall not directly or indirectly restrict the sale or marketing of fluid milk products by the school (or by a person approved by the school) at any time or any place on the school premises or at any school-sponsored event.
  - c. Schools participating in the NSLP must check all beverage contracts for language that may limit the sale of milk on school grounds. The sale of milk cannot be limited at any time during the school day or at any place on the school premises. Contracts may have language that is hard to understand. Look for the term ***Exclusive Pouring Rights***. Every school district must have amended their beverage contracts that limit the sale of milk should such language exist. The primary effect of this provision is to prevent contract limitations on the sale of fluid milk in competition with other beverages.
11. The SFA will take all necessary affirmative steps to assure that **minority firms, women's business enterprises, and labor surplus area firms** are used when possible. Affirmative steps shall include:
- a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists.
  - b. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources.
  - c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises.
  - d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses and women's business enterprises.
  - e. Using the services and assistance of the Small Business Administration (SBA), and the Minority Business Development Agency of the Department of Commerce.
  - f. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed above.

**Certifications**

1. **Nonkickback Affidavit** - Please note that Oklahoma statute 62 O.S. §310.9 requires a signed and notarized nonkickback affidavit on every purchase order of \$25,000 or more. The affidavit is to be signed by the person or persons authorized to accept payment on behalf of the architect, contractor, engineer, or supplier.
2. Lobbying Certification (Reference 200.326[1])
  - a. Lobbying certification must be obtained for procurement contracts of more than \$100,000. Any vendor whose contract award is for more than \$150,000 must complete a Certification Regarding Lobbying form. The SFA must keep this signed certification statement on file with a copy of the vendor's contract.

**PROCUREMENT, REGULATION (Cont.)**

- b. Any SFA or its vendors who participate in lobbying activities must complete a Disclosure of Lobbying Activities form. SFAs must submit this completed form to the State Agency. A vendor would submit its completed form to the SFA.
3. **Debarment or Suspension.** An SFA is prohibited from contracting with an individual or company that has been debarred or suspended in accordance with 2 CFR §180, as adopted and modified by USDA regulations at 2CFR §417. This prohibition does not extend to contracts in existence at the time of the debarment or suspension or to most contracts under \$25,000. Rather, it applies to new contracts and extensions or renewals of existing contracts of \$25,000 or more and to contracts for audit services, regardless of amount. **(FORMAL CONTRACTS)**
4. **Contract Work Hours and Safety Standards Act** (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the nonfederal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 70 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market or contracts for transportation or transmission of intelligence.
5. **Equal Opportunity and Discrimination.** The vendor certifies it is an Equal Opportunity Employer, a provider of services and/or assistance, and is in compliance with the 1964 Civil Rights Act, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, as amended, and Executive Orders 11246 and 11375. The vendor assures compliance with the Americans With Disabilities Act of 1990 (Public Law 101-336), all amendments to, and all requirements imposed by the regulations issued pursuant. **(FORMAL CONTRACTS OF \$10,000 OR MORE)**
6. Contracts in excess of \$150,000 shall contain provisions that require compliance with all applicable standards, orders, or requirements issued under Section 306 of the **Clean Air Act** (42 U.S.C. 1857[h]), Section 508 of the **Clean Water Act** (33 U.S.C. 1368), Executive Order 11738, and **Environmental Protection Agency (EPA)** Regulation (40 CFR §15), which prohibit the use of nonexempt federal contracts, grants, or loans of facilities included on the EPA list of violating facilities. The provision shall require reporting of violations to the grantor agency and to the EPA Assistant Administrator for Enforcement. The contract must recognize mandatory standards and policies relating to energy efficiency that are contained in the State Agency conservation plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

**SECTION II - MICRO PURCHASING**

If the amount of purchases for items is less than \$10,000 and less than the SFA/Sponsors' small purchase threshold, the following procedure will be used.

**PROCUREMENT, REGULATION (Cont.)**

1. Purchases will not be separated into 2 or more purchases to meet or be below the \$10,000 threshold.
2. The price quotes will not be required. Competition is not required.
3. When practicable, micro-purchases will be distributed equitably among qualified suppliers.
4. Documentation of purchases will be kept and maintained for 3 years plus the current year.
5. The Superintendent or Designee will be responsible for documentation of purchase.

*Note: Federal threshold of \$2,000 is applicable in the case of acquisitions for construction subject to the Davis Bacon Act*

**SECTION III - PURCHASING EQUIPMENT**

If the amount of purchases for equipment is greater than \$5,000, the following procedure will be used.

1. Written specifications will be prepared and provided to vendors.
2. Each vendor will be contacted and given an opportunity to provide a price quote on the same specifications. A minimum of two vendors shall be contacted.
3. The price quotes will receive appropriate confidentiality before award.
4. If using USDA funding for the purchase, the SFA/Sponsor will seek prior approval from Oklahoma Child Nutrition Programs unless the equipment is placed on the Equipment Pre-Approval list located in the Child Nutrition Manual.
5. Quotes will be awarded by the Superintendent or Designee. Quotes awarded will be to the lowest and best quote based upon quality, service availability, and price.
6. The SFA will be responsible for documentation of records to show selection of vendor, reasons for selection, names of all vendors contacted, price quotes from each vendor, and *written specifications*.
7. The SFA will be responsible for documentation that the actual product specified is received.

*Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or \$5,000. See also §200.12 Capital assets, 200.20 Computing devices, 200.48 General purpose equipment, 200.58 Information technology systems, 200.89 Special purpose equipment, and 200.94 Supplies.*

**PROCUREMENT, REGULATION (Cont.)****SECTION IV - SMALL PROCUREMENT**

If the amount of purchases for items is greater than \$10,000 and less than \$150,000, Small Purchase Procedures must be followed. There are two methods of Small Purchasing allowed, either Quotes and/or a Market Basket Study. Quotes documented from an adequate number of qualified sources will be required.

Select one

- Purchases over \$10,000 but below \$150,000
- Purchases over \$10,000 but below \$150,000

6. The SFA will be responsible for documentation of records to show selection of vendor, reasons for selection, names of all vendors contacted, price quotes from each vendor, and written specifications.
7. The SFA will be responsible for documentation that the actual product specified is received.
8. Any time an accepted item is not available, the SFA will select the acceptable alternate. Full documentation will be made available as to the selection of the acceptable item. Substituted items will not be made at the vendor's discretion.
9. Purchasing will be based on the following criteria:
  - a) Quality
  - b) Service Availability
  - c) Price

**PROCUREMENT, REGULATION (Cont.)****SECTION V - FORMAL PROCUREMENT**

Competitive Sealed Bids (Formal Advertising) will be used to purchase goods, equipment, and services where the aggregate cost is \$100,000 or more when the selection of a successful supplier can appropriately be made principally on the basis of price.

When competitive sealed bids are used, the following conditions, stipulations, and terms must be met:

- Bids will be solicited from an adequate number of known suppliers in sufficient time prior to the date set for the opening of the bids.

- All bids will be opened publicly at the time and place stated in the RFP/ITB.
- A firm, fixed-price contract award will be made by written notice to the responsible bidder whose bid is lowest, assuming the bid conforms to the requirements in the RFP/ITB.
- Where specified in bidding documents, factors such as discounts, transportation costs, warranties, service, and life cycle costs (for equipment), if applicable, will be considered in determining which bid is lowest.
- Payment discounts will only be used to determine the low bid when prior experience of the school district indicates that such discounts are generally taken.
- Any and all bids may be rejected when there are sound documented reasons that the best interest of the program will not be served by the potential suppliers.

1. Formal bid procedures will be applied on **the basis of a:**

- Centralized System
- Individual Site
- Multi-Sponsor Systems
- State Contract
- Combination of above (specify): \_\_\_\_\_

2. Because of the potential for purchasing more than \$150,000, it will be the responsibility of the SFA to document the amounts to be purchased so the correct method of procurement will be followed.

When a formal procurement method is required, the following **COMPETITIVE SEALED BID or an Invitation for Bid (IFB) or COMPETITIVE PROPOSAL in the form of a Request for Proposal (RFP)** procedures will apply:

Price alone is not the sole basis for award, but remains the primary consideration when awarding a contract. Following evaluation and negotiations a firm fixed price or cost reimbursable contract is awarded.

- Full documentation as to the reason an accepted item was unavailable, and to the procedure used in determining acceptable alternates, will be available for audit and review. The person responsible for this documentation is Superintendent or Designee.
- The Superintendent is responsible for maintaining all procurement documentation.

**SECTION VI - NON-COMPETITIVE NEGOTIATION**

1. Written Specifications will be prepared and provided to the vendor.
2. The SFA will be responsible for the documentation of records to fully explain the decision to use the non-competitive negotiation. The records will be available for audit and review.
