4/6/2020

Students of WHS,

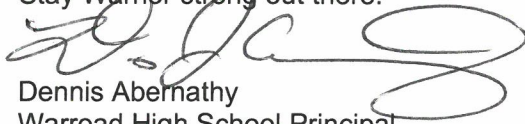

I hope this message finds you well. We are thinking about each and every one of you during this time. While this might not be the most preferred method of education we know you, along with MANY other students in this country, will rise up to the occasion by adjusting and adapting as needed. If you need any assistance please reach out. **YOU ARE NOT ALONE!**

Below are a few reminders:

- You should be checking in with your classes daily. If you are working or assisting family during the day you will need to check in and complete work in the evening.
- Schoology may be running slower than usual between 9 a.m. and 1 p.m. This is due to the millions of users attempting to access the site all at one time. If this is occurring, move on to something else and check back in later. Schoology is aware of the issue and working on it.
- Grades count! What you are completing while we are on Distance Learning is being graded by your teachers. This includes ALL work that has been assigned this trimester. If you are falling behind, now is the time to reach out to your teachers.
- Please be patient if it is taking longer than usual for assignments to be graded. Teachers are working to stay caught up with the submissions from all classes while attempting to reach out to students and families.
- We still have the date for Prom set for May 16th. If we are not back in session Prom would need to be cancelled. We will let everyone know as soon as we have any information from the Governor's office.
- We will have a graduation ceremony in some way, shape, or form this year.

Do not be afraid to reach out for help if you need anything. We will get through this together and we will be a stronger learning community because of it.

Stay Warrior strong out there!

Dennis Abernathy
Warroad High School Principal
