Dear Parents, Friends & Supporters of Noble Public Schools:

This week marks the beginning of a new and unexpected experience for Oklahoma students, teachers and school staff. Although we did not anticipate ending the year this way, I am proud of the Continuous Learning Plan Noble Public Schools has developed to allow students to learn from home. We know this change is difficult, and there is sadness about missing or delaying special events and activities. During this time, students and their families can count on Noble Public Schools to support them academically, emotionally, and nutritiously.

While this health crisis has presented many challenges, it also has given us opportunities to help one another. In one week, the district's child nutrition team, with assistance from the transportation department and administration, served 5,700 meals to our students, and these numbers are growing daily. The schools also donated Personal Protective Equipment to Norman Regional Hospital, the Cleveland County Health Department, and Noble Police, Fire and EMS departments. Additionally, our staff completed the massive task of developing a Continuous Learning Plan in just a matter of days. On behalf of the board and our community, I commend and thank all school employees for their hard work and commitment. Noble Public Schools has an incredible team!

The next few weeks will unveil a temporary new normal for us all. Kitchen tables will double as classroom/office spaces, and our world will be limited to the walls of our own homes. I would like to thank parents for partnering with the district on this journey. While they will be assisting their children in person, they will not be alone. Teachers will be just a phone call, email or video conference away.

We are fortunate to serve a community that values public education and understands that flexibility is necessary to meet the needs of students. A school is not a building; it is a family of caring, knowledgeable professionals making a difference for students every day. Our district is home to the best, and we will finish the school year strong. Go Bears!

Thank you again for your support of Noble Public Schools.

Sincerely,

Frank Solomon
Superintendent
