ANNUAL ACCREDITATION

Each district develops an evidence web page or submits links to the department through a spreadsheet annually by November 1. This evidence, and an internal verification process with Wyoming Department of Education program managers, is used to verify adherence to statute and make an annual accreditation recommendation to the Wyoming State Board of Education. The evidence requirements may be updated annually to reflect changes in statute.

01. DISTRICT BOARD
- District Purpose and Goals
- Board Members and Operations
- Board Policies and Document

02. DISTRICT LEADERSHIP
- District Leader Evaluation
- School Improvement Representative

03. SCHOOL LEADERSHIP
- Principal Roles and Responsibilities
- Teacher Evaluation Model
