Emergency School Closings

The Superintendent may order the delay of opening, early dismissal or the closing of schools due to inclement weather, hazardous road conditions or specific emergency situations which would make the operation of school impractical or hazardous to pupils. Notification of such actions will be telephoned to the Springfield School Service for distribution to media in Springfield. Station KYOO in Bolivar will also be called. Unless individually approved by the Superintendent, after-school activities will be canceled on the day which school is closed or dismissed early due to weather or other emergency conditions.

Instructional time lost due to weather and other emergency conditions will be made up as required by the State and as approved by the Board of Education.
