Athletic Trip Request Form

Name of Athletic Team:	Cape Nordic
Coach Making Request:	Nick Kline
Date of Proposed Trip:	12/28/2011 – 12/30/2011
Purpose/Benefit of Trip:	To offer students a chance to cross country ski on snow early in the season. Also allows for early team bonding.
Method of Transportation:	A school bus has been reserved through Community Services.
Trip Location/Itinerary:	Skiing will be at the Sugarloaf Outdoor Center (Nordic). The students will have conducted practices once or twice each day. Students will be housed in 2 condos at Sugarloaf. One is owned by Terri Ann Scriven and Frank Governali. In addition we'll be renting the condo next door. These accommodations will house all the students, coach, and parent chaperones.
Cost:	\$118 per student after Cape Nordic contributes \$1500. Cost covers: The bus and driver, the bus driver lodging, 3 days of ski passes at the outdoor center, rental of the second condo, nominal fee for supplementary coaching, and incidental food cost. The students will be asked to bring their lunch the first day as well as food goods to prepare meals for the remainder of the trip (2 dinner, 2 lunches, 2 breakfast).
Possible Fundraising Activities	: Cape Nordic will hold its annual silent auction on Dec 4 th . A portion of the proceeds will support this holiday break camp.
Supervision: Number of Chape	be additional parents available to help at meal time as well as Bowdoin College skiers to help with coaching at practice.
Do all athletes have equal opp	ortunity to attend (participate)? Yes
Cape Nordic has been s unpredictable weather	trip in relation to the expected benefit: sponsoring a camp at holiday break for many years. With the coast's getting students on skis early in the season can be difficult. Going north skiers to gain some early confidence on skis as well as fine tune their technique. and training at home.
