School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Sentinel High School (SHS) is an alternative high school that provides grade 11 and 12 students the opportunity to recover credits as they progress towards complete their graduation requirements. Sentinel High School is best described as a school that strives to help each student reach their own unique potential by focusing on 5 schoolwide learning outcomes (SLO's). The SLO's for Sentinel revolve around S.A.I.N.T. (Skills and knowledge applied to real-world settings, Analytical reasoning and critical thinking, Innovation and creativity, New technology acumen, Teamwork and skills/ability to collaborate). The faculty and staff at Sentinel High School believe that all of our students can succeed in school. Each year teachers receive training to improve their teaching techniques, technology skills and how to better develop relationships with our students so that they can help each student achieve their graduation goals. Sentinel High School is in the process of implementing Common Core strategies and curriculum, exploring and expanding career exploration and certification programs for our students, and expanding our outreach to the community through community service opportunities.

Thank you for taking time to review our School Accountability Report Card. We hope the information in this report will give you a better understanding of our educational program and the level of student achievement at our school.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	2.4	1.8	1.0	78
Without Full Credential	0	0	0	5
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: May 2019

Inventory and needs assessment is conducted in May to ensure student materials are ordered for the following school year.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	California Collections 2017	Yes	0%
Mathematics	Prentice Hall Mathematics	Yes	0%
Science	Holt	Yes	0%
History-Social Science	US Gov't Democracy in Action/ The Americans	Yes	0%
Health	Holt & Prevention Plus 2019	Yes	0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Sentinel High School is comprised of a mix of relocatable buildings (three portable buildings and a restroom facility) purchased approximately 8 years ago. They are in good condition and located on the Waterford High School site to better coordinate with the comprehensive high school programs. The campus has dual use as it also houses Waterford Adult Education and Waterford Independent Studies programs. With an enrollment of less than 20 students at Sentinel and less than 50 students at Waterford Independent Studies the campus is of sufficient size to accommodate the programs it currently houses. Custodial support is provided daily and students have a separate parking lot immediately adjacent to Sentinel for their use. The parking lot was updated with resurfacing, striping and the addition of speed bumps in Summer 2019.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: August 6, 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	18	29	46	47	50	50
Mathematics (grades 3-8 and 11)	0	0	27	24	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2018-19)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

Career Technical Education Programs (School Year 2018-19)

Sentinel High School is committed to offering viable CTE options for our students that provide them with the skills that are in demand in the workplace. To assure that the skills being taught are relevant to business needs, we are in the process of developing an advisory committee made up of representatives from the various local businesses. With our recent WASC accreditation last year and change in administration at both SHS and WHS, we are in the initial stages of adding the practice of allowing students at SHS to attend WHS for Regional and District CTE courses. Additionally we have begun identifying and developing our own CTE pathways that will be unique to SHS for students to pursue. Currently instruction for CTE classes are offered either by guesting them into classes at Waterford High School (ROP ChildCare, Ag Mechanics, Welding) or are offered through online courses via Acellus. Some of the courses that student regularly access in the online academy are : Agriculture, Business Management, Electrical, HVAC, Plumbing, Medical Terminology, Information Management.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents at Sentinel High School can participate in a number of school organizations that are districtwide in their focus. Some of the organizations that parents can participate in are Waterford AG Boosters, Sober Grad, Waterford Education Foundation, WUSD English Language Advisory Committee, SHS School Site Council, and periodic vocational-educational advisory groups. The school is broadening its offerings to encourage participation in Committed's CODE Night and working with other sites to share out their parent education events (i.e. Parent Summit). For information on the different organizations or specific dates and times, please contact the school office at 209.874.9017.

To assist parents and students with keeping current with events and outcomes from students daily experiences at Sentinel High School, the school has been in the process of updating and refining the school website to make it more useful. Events planned for the year, photos of the students and their experiences as well as varied other information is currently available on the website and current for the year. Social media links are being added as they are developed so that parents can find the medium that works best for them to keep current with everything Sentinel. We urge parents to become involved in our campus and school committees, participate on our School Site Council and our district English Language Advisory Committee or volunteer for student events throughout the year.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015-16	School 2016-17	School 2017-18	District 2015-16	District 2016-17	District 2017-18	State 2015-16	State 2016-17	State 2017-18

Graduation Rate	94.7	94.4	79.2	94.9	84.8	88.7	83.8	82.7	83

For the formula to calculate the 2016-17 and 2017-18 adjusted cohort graduation rate, see the 2018-19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

The SHS School Safety Plan identified strategies and programs necessary to maintain a high level of school safety as well as development of procedures for compliance with existing law. The plan is evaluated and refined annually at the District level to ensure proper implementation. The school Safety Plan was last reviewed, updated and discussed with school faculty on March 2019. The Safety Plan committee is a district-wide group that is comprised of students, parents and staff and covers key areas such as lockdown's, fire drills and goals for improving safety on campus. To ensure that the campus is as safe as possible, our administration and staff monitor school grounds to ensure that our campus is safe from before school begins until after school ends. Teachers help with supervision as needed.

To support student social-emotional health as it can be impacted through the use of social media, the district has implemented an application that can be used on student devices and online, which is anonymous, but students can/may leave his/her name - the app is called STOPit. This application can also be used by students to report any bullying and/or concerns he/she may encounter at school or on the way to or from school. In efforts to maintain a safe campus, all schools are utilizing a check-in system that requires each visitor to have proper identification and declare the visitor's destination on campus. The RAPTOR system also checks all visitors for individuals who are on the online system for Megan's Law.

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

Because Sentinel High School has a high percentage of low-income and English Learner students, the school receives federal Title I and Title II funds to provide supplementary support services. These funds are used to provide targeted programming and supplemental services such as English Learner programs, including English Language Development, as well as computer-assisted instruction for students during and outside of school hours to help give struggling students extra opportunities to remediate credit deficiencies or pursue vocational needs.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	4	4

The Professional Development plan for certificated staff is incorporated into the school site plan. They participate in training programs such as those provided by the school or office of education. Examples are, training for Common Core Standards. Professional development opportunities are provide by bringing trainers to the school site for sessions such as those in the new State Standards, ipad training to implement technology into the classrooms, reading and other content instructional strategies for improving learning.

Professional development days are held when students are not on campus usually on a designated professional day during the school years or on a designated school days after the students have left. Teachers are also encouraged to take continuing education classes at various colleges or through the office of education.

Teachers are supported in the classroom via learning walks, in-class coaching/modeling, opportunities to participate in peer observations, and through administration-teacher meetings to discuss assessment results and student progress/success (academically and behaviorally).

The focus for 2019-20 for staff development revolves around some central themes for the staff and school - WASC accreditation processes, technology skills development, MTSS, Socio-emotional Development strategies for students, and core content skill development. These PD's are being delivered via whole group instruction at Districtwide trainings, at county and regional PD events, on Staff development afternoons and as part of monthly staff meetings.
