Good evening Placerville Families,

I want to start off tonight by thanking all of our families for all that you are doing. I know that this change was not anticipated and certainly was not easy to plan for but you have accepted this challenge and will always do what is best for your child. You are doing an awesome job in partnering with us and collaborating on the Distance Learning program that we embarking on.

This next week is Spring Break. I know that under the circumstances doing any traveling is probably out of the question but still try to take a little bit of time to rest and relax. With what we have been dealing with you have all earned it. Next Monday we will be providing 5 days' worth of meals at Schnell School. Monday will be the only day we will be handing out meals during Spring Break but again we will be giving you 5 days' worth of meals at one time, all meals will be given out at the Schnell School location.

Following Spring Break we will be transition to the teaching of new skills and concepts. It will be very important that you do what you can to have your child engaged. New packets will be available for pick up on Tuesday April 14th.

Enjoy your Spring Break

Eric Bonniksen
