**Pre-Appointment**

Please arrive early for your appointment to fill out the appropriate paperwork if you are a new patient. You need to bring the following for your first visit with us:
- Photo ID
- Proof of Insurance
- All current medications

If you wish to apply for a discount, please bring:
- Proof of income based on two most recent paystubs

Established patients need to arrive at least 15 minutes prior to the appointment time.

If you need to miss your appointment, please, if you can, cancel 24 hours before your scheduled appointment.

---

"EMDR treatment helped me look past the exterior of my traumatic experiences and refocus on what really happened. It really works! I felt safe and not judged. I’d recommend this treatment to anyone who needs help."

-Sherrie

---

"EMDR treatment changed the way I dealt with my traumatic experiences. It felt supernatural to connect with Tara Fields on such a personal level and have help dealing with my past."

-Dwight

---

**Behavioral Health**

**CLINIC BASED MENTAL HEALTH SERVICES:**
See your therapist the same day you see your Medical or Dental provider!

Clinicians are an incredible asset when assessing treatment needs and work in close consultation with your medical provider.

**SCHOOL BASED MENTAL HEALTH SERVICES:**
ACHC is devoted to making access to needed mental health and behavioral health services easier. That’s why we take the services directly to our youth at school!

Licensed clinicians are available for your child to see while at school. Minimize the time your child is out of the classroom and you are out of work by accessing services during the school day!

Ask about our behavioral health services by contacting us today at 913-367-4879
