Plainfield High School Summer Clinic Schedule

Summer Clinics

*June 6th—June 30th
July 11th — July 28th*

Our program seeks to provide a high quality and comprehensive tennis training experience. We are passionate about helping young people develop character, perseverance, confidence, and a balanced work ethic. Classes are structured to foster a great opportunity for young players to develop a love for the sport while at the same time giving players a foundation from which to pursue tennis at a higher level. We will have a strong focus on the physical, technical , and mental skills needed for a player to compete at a national level if they desire to do so.

CLINIC DESCRIPTIONS

Grades K-3 Introduce young players to the game through a variety of activity based games. Basic groundstroke and volley’s are introduced. (Foam Balls)

Grades 4-6 Production of basic ground-stroke, volley and serve techniques. Basic play and footwork fundamentals will also be introduced.

Middle School/High School:

For players wishing to compete on their high school or Middle School teams. This clinic will be primarily live ball drills and point play. Topics will be patterns and styles of play, anxiety control, and singles and doubles tactics. Players will be given the tools necessary to be successful in tournament play and high school tennis.
