## Breakfast/Lunch Pick Up Program

In response to the closure of school due to the COVID-19 pandemic, Columbia School District is proud to provide ongoing meal support to our students and their families. Every Monday, Wednesday and Friday, 9 a.m. to 11 a.m. at Columbia Elementary School. Any child 18 years old or younger is eligible to receive free breakfast and lunch. Please drive around the pick-up loop. Staff will bring the food to you, you do not have to get out of your vehicle and your children do not need to be with you. If you have any questions regarding this program, please contact the Columbia Food Service Director [Lindsay.Kandell@myeagles.org](mailto:Lindsay.Kandell@myeagles.org).
