## Assignment Drop-Off Location

- We have added a new assignment drop-off location outside of the Elementary School main office entrance.
- This will be emptied every Monday and Thursday and the work will be quarantined for 3 days.
- Please place assignments in the proper drawer labeled by grade level.
- There are also drawers for pre-K registration, Kindergarten registration, HS scheduling, and scholarship submissions.
- We still encourage everyone to turn in as much work as possible via electronic means. (Ex; Google Classroom, Class Dojo, take a photo and email it, etc...)
- You may still drop off assignments at the 3 meal distribution sites if needed, but this gives you drop-off access 24/7 and helps to reduce the contact for our staff.
- Please adhere to all CDC guidelines of social distancing
  - 1 person at a time
  - Maintain at least 6-foot separation
