UNIT 2: SOUND

Week 4: Virtual Learning
What is sound?

We are going to learn all about sound in the next few weeks. Review the vocabulary words and watch the video “What is sound?”

Copy and paste link: https://www.youtube.com/watch?v=3-xKZKxXuu0
Unit Vocabulary

- Sound - a kind of energy you hear when something vibrates
- Vibrate - to move quickly back and forth
- Volume - how loud or soft a sound is
- Pitch - how high or low a sound is
- Communicate - to share information
Watch the YouTube video about “What is Sound?”

If you have a coffee can (or paper towel roll) and a rubber band, try the experiment in the video about vibrations.

Write 3 sentences about what you have learned about sound.

Send an email or video tape and let me know your results.
