

NORTH LITTLE ROCK CATHOLIC ACADEMY
"Affordable Quality Catholic Education"

Dear NLRCA Parents,

As we look toward another week of students continuing their education in the home environment, I want to let you know how proud I am of the response that your children are having with their teachers. With your continued help, your children will be able to advance to their 2020 - 2021 grade. It is so very important that the children continue completing their work and ensuring that the work is being returned to the teachers.

On Thursday the Principals met with the Catholic School Superintendent. Hope you find this information beneficial. Some parents had expressed to her that the workload had proven stressful to the children and to parents.

The Superintendent asked the Teachers to please lighten the workload. Also leave Fridays for grading, uploading grades and communicating with parents and students, as needed. I hope these modifications help with lowering the stress levels for students and parents.

Kindergarten through 8th grades, tuition is still being charged. If you are making payments by dropping it off please take your payment to the church office and drop it off at the mail slot or mail to St. Mary's care of NLRCA, at 1516 Parker St. NLR, AR 72114. All mail is returned to the school Office.

If you have any questions or concerns please call the school office 374-5237 all calls are transferred to my home phone.

In the morning we celebrate the risen Christ!! I pray that His graces and blessing be with you and your families as we continue this journey.

In His Holy Name,
Denise Troutman
