

The School District of Eleva-Strum now has MackinVIA eBooks!

MackinVIA™ is a program that makes it easy to access our school's digital resources. You can use MackinVIA on any desktop, laptop, or mobile device with Internet access. The app was pushed out to the students and staff prior to the school being let out and the icon looks very similar to the picture at the top of the page.

In an effort to provide distance learning materials to us during the COVID-19 shutdown, Mackin has graciously provided free access to all 5000+ Classic Elementary, Middle and High eBooks at no charge until the end of 2020 to provide great benefit to our staff and students. Throughout the remainder of the school year more books will be added that will stay in our virtual library after 2020.

All students and staff can use these materials at any time from any location where there is an internet connection or data signal by simply connecting directly through the MackinVIA app or web portal.

Accounts have been set up for students and staff. MackinVIA usernames are the first part of the student's/staff's email. For example, if the email is 20smithjo@esschools.k12.wi.us their username is 20smithjo. Passwords for students is their 4 digit lunch number. Passwords for staff will be emailed to them.

Have your student goto MackinVIA app on their iPad. The app looks similar to the logo above.

In the school/Library Name field type ELEVA and hit the spacebar. A drop will appear and you can select the ELEMENTARY or the HIGH SCHOOL.

Enter your username and password, then tap login.

*If you are having difficulties logging in, please email peteronco@esschools.k12.wi.us.
