Good Evening Placerville Families,

I hope that all of you have been able to relax over this Spring Break and are looking forward to a nice Easter weekend.

As we look forward to next week I wanted to let all of you know that based on your feedback we have changed our meal delivery process. We received tremendous positive feedback from families about having all meals for the week available on one day. This way they only had to come out once to get meals for the week. We will be delivering 5 days of meals each Monday at Schnell School from 11:00 to 1:00.

Work packets will be available for pick up on Tuesday from 7:30-4:00. These packets are for the next two weeks.

Attached to this email are a number of documents. The first document is a letter from me outlining information that you might have questions on, please read that closely. The other documents deal with Video Conferencing, Use of Technology, Mental Health Assistance and the Boys and Girls Club.

Thank you for all you are doing and have a great weekend.

Eric Bonniksen
