## 2020 Senior Shout Outs

Parents, it's time! **Senior Shout Out** creation time is now! Help us meet our production deadlines by returning your order as soon as possible, but please, **no later than September 30, 2019!**

A Senior Shout Out is a fun and unique way to tell your graduate how proud, excited, honored, (relieved)... you are about their impending graduation and future - All you need to do is choose a size you would like your Shout Out to be. With the savings from being provided with free yearbooks for seniors, this year is a great opportunity to send a special message to your graduate. Include one picture for an 1/8 (eighth) page Shout Out and up to two for a 1/4 (quarter) page Shout Out (pictures can be hard copy or digital on a CD or emailed to TLynah@wccsk12.org). Please include a brief, personal message.

**Ads cost \$40 for an 1/8 (eighth) page and \$50 for a 1/4 (quarter) page. This is a separate order form that is not connected with the ordering of a 2019 WCCS Yearbook. This is also unrelated to the request for a baby picture submission. You must submit the yearbook order form and separate payment for your yearbook.**

**Reserve a spot for your Senior Shout Out today!**

P.S. Please include an appropriate photo (memorable childhood photo or a backup senior portrait, etc.)

And, if your message is too long, we may have to help you shorten it. Thanks!

P.P.S. **Make checks payable to WCCS Yearbook**
