

Walmart and Quest have opened up testing to ANYONE with COVID-19 symptoms, starting immediately. The testing site is in the west parking lot of the Walmart Home Office, located at the intersection of 8th and Walton. The process remains the same, with people using the Quest app to schedule an appointment. Any assistance in informing the public would be much appreciated.

Who:

• Anyone who is exhibiting symptoms of COVID-19 and all healthcare providers and first responders. For more information on testing eligibility please see CDC guidelines: <https://www.cdc.gov/coronavirus/2019-ncov/downloads/priority-testing-patients.pdf>.

When:

The drive-thru will be open daily from 9 a.m. to 4 p.m., weather permitting. Please arrive no more than 10 minutes before your appointment time.

Where:

You must first qualify for COVID-19 screening and schedule an appointment at: www.MyQuestCOVIDTest.com

Walmart Home Office parking lot: 702 SW 8th Street, Bentonville, AR 72716

PLEASE NOTE: Testing is not available in any Walmart store or in any Quest Diagnostics Patient Service Center.

What to bring/things to note:

- The testing site will require an appointment through Quest's MyQuest™ online portal and app. You will receive an appointment confirmation that you will need to have on hand when you arrive on-site.
- In addition, please make sure to bring your insurance card and valid photo ID for proof of identity.
- Those being tested will need to stay in their cars for verification of eligibility criteria, ID check and sample self-collection. For the safety of all those on-site, the test site is not able to service those who walk up.
