Christ-Centered, Classical Education

FIRST GRADE DAILY WORK SCHEDULE April 1 thru May 1, 2020

Hello student and parents:

Please find in this packet a schedule of daily work for the month of April. As Zion's building closes indefinitely (for we don't know how long) we will continue to teach through these plans, your Google classroom, and ZOOM meetings.

This packet has more in it than the last one. I don't want you to be overwhelmed by it so I broke up the subjects so you wouldn't have every subject everyday. I have grouped the worksheets together by week. They are all labeled for each week and have the math lessons stapled together, phonics worksheets, and Reading worksheets stapled together. The Math and Reading worksheets are stapled together in the order that they should be completed. If you are confused which reading worksheet is which, look in the top right corner and it tells you which story it is and if it is vocab, phonics or grammar. Below is the schedule of how things are laid out. I will be posting videos for math and phonics. The math videos will be the same. The phonics videos will be a little more in depth since I will be giving sounds and words to spell. I would give your child a little time to write down the sounds I saw so you might have to show them how to pause the video so it doesn't go too fast for them. I will have the answers for the

phonics worksheets posted at the end of the video so students can check their work. If you are having difficulties sticking to this schedule please let me know. I am more than willing to work with you to make it easier on you all. If you are finding that you have extra time after completing the assignments, let me know and I can email you some supplementary work.

The basic schedule you will follow will be:

Math- M/W/F

Phonics- T/Th

Reading- 3 days a week (varies from week to week due to breaks).

Religion- M/T/W/Th (varies from week to week due to breaks)

Here's some advice to a successful month of learning:

- *Set aside a block of time every morning and afternoon to work on school work. Make sure to schedule in some breaks as well.*
- *Find a place that you are able to work WITHOUT distraction.*
- *Check Google classroom first thing every morning to see what messages and videos have been posted on the classroom streams.*
- *Know when your ZOOM meetings are.*
 - *Mr. Dauel: every Thursday at 10:00 a.m.*
 - *Mrs. Arehart: every Friday at 10:00 a.m.*
 - **IMPORTANT:** *Make sure you are in the MUSIC Google Classroom! All supplemental material will be here! (Use your school gmail account.)*
- *The links should always be on your Google classroom stream or Gmail accounts.*
- *Open office hours: these are times when you can talk with me as needed. If you don't need any extra help, you don't need to check in.*
- *Ms. Dauel's open office hours are Tuesday's @ 10:00.*
- *I'll make sure that the ZOOM link is always posted on the classroom stream.*
- **HOMEWORK SUBMISSION**
 - *With this packet and the rest of your books you will find a large manila envelope with several smaller ones. These envelopes will be marked for each week. Any written work/worksheets are to be placed in here. This packet can be turned into the mailslot on the south side of the building (outside the teachers' workroom). We will be grading this work!*
- **GOOGLE CLASSROOM**

- Under the classwork tab, there will be a place to find assignments, instructional videos, misc. resources, et cetera.
- These are designed to help you! Check them out!
- If you have questions, just ask!
- Keep praying – this is a difficult time for many of us. We like our routines and the certainty that a schedule brings. Pray for patience, endurance, and healing for those affected by the coronavirus.
- DAYS OFF: Scheduled breaks will remain – there will be no ZOOMs or assignments for Easter Break (April 9-13); and April 24 (plant sale day).

God bless,

Ms. Dael

WEDNESDAY: April 1

MATH	Lesson 115- New Concept: Addition Facts <ul style="list-style-type: none"> • Lesson Worksheet • Practice Worksheet • Math Fact Worksheet
PHONICS	N/A
