Mission Statement: To develop students of character while empowering them to achieve personal success

April 14, 2020

Dear Parents,

Today began the first day of our new 7-12 learning model. As expected, there were a few glitches with kids being able to join meetings, etc. We are working to get those glitches resolved. If your students in grades 7-12 have trouble joining a zoom meeting, please encourage them to email their teacher or Mr. Uldrich to let them know. They can also call the school at 402-254-3947. All students should be reminded that attendance in these sessions is required. Again, we realize there may be conflicts, but those must be communicated and excused and we will make other arrangements.

We hopefully just experienced our last snow of the season. If you get meal delivery at your house, please clear off sidewalks and porches to make it easier for us to deliver meals and keep it safer for our staff. Also, the routes in town will be changing this week, so please be patient if your delivery time changes.

Elementary parents, because of the Easter break, packets will be delivered Wednesday.

Thank you for all you are doing for your kids.

Sincerely,

A. J. Johnson
Superintendent
