Greetings from Warroad High School,

We hope this letter finds you well. If you or your family needs anything during this time please reach out. We may not be able to help directly, but can get you redirected if needed. Please know bag lunch and breakfast are free to families at a variety of bus stops in our communities or in the High School main entrance each school day from 11:00 am to 12:30 pm. Please contact the office for the complete list of meal drop-off locations and times.

Enclosed you will find a copy of your student's progress report for mid-trimester 3. By the time you read this some of the grades may have already changed. If you do not have access to Schoology, please ask your student to open their courses and show you their grades. Don't let them fool you; ALL of our students know how to do this.

As mentioned in multiple forms of communication, grades this trimester matter! Teachers are currently hard at work providing instruction, reaching out to families, and grading assignments for up to 130 students. If you have any questions regarding courses or grades please be sure to reach out to specific teachers.

Please know during this time of uncertainty your child has been trained how to access all materials. Our teachers are waiting to hear from and help students if there are any questions.

Thank you for your patience as we continue to adapt and adjust through distance learning.

Stay Warrior Strong!
