

EVALUATION OF THE SUPERINTENDENT

Evaluation can serve the purpose of helping educators and educational leaders continually improve their practice.

Through evaluation of the Superintendent, the School Committee will strive to accomplish the following:

1. Ensure the efforts of the Superintendent are focused on district goals and the standards of professional practice established by state regulation are met by the Superintendent.
2. Ensure all Committee members and the Superintendent are in agreement and clear on the role of the Superintendent and the immediate priorities among their responsibilities.
3. Provide excellence in administrative leadership of the school district.
4. Develop a respectful and productive working relationship between the School Committee and Superintendent.

The School Committee and Superintendent will periodically develop a set of goals based on the needs of the school district and in keeping with state regulations for evaluation of the Superintendent. The Superintendent's performance will be reviewed in accordance with specified goals and standards according to the evaluation cycle agreed upon with the Superintendent.

All School Committee discussion and deliberation related to the Superintendent's performance evaluation shall be conducted in open session in accordance with the Open Meeting Law.
