

## **SCHOOL BUS SAFETY PROGRAM**

The safety and welfare of student riders will be the first consideration in all matters pertaining to transportation. Safety precautions will include the following:

1. Children will be instructed as to the proper procedure for boarding and exiting from a school bus and in proper and safe conduct while aboard.
2. Emergency evacuation drills will be conducted at least twice a year to acquaint student riders with procedures in emergency situations.
3. All vehicles used to transport children will be inspected periodically for conformance with state and federal safety requirements.
4. Classroom instruction on school bus safety will be provided.

The contractor shall be responsible for cooperating with the Superintendent or his/her designated representative in the sponsorship and promotion of any school-safety programs associated with bus transportation procedures.
