- C. Dental Plan
- D. Vision Plan

The Board acknowledges that these group health plans are required to comply with the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule as amended by Title I of the Genetic Information Nondiscrimination Act (GINA). ## STUDENT FUND-RAISING

The Board of Education acknowledges that the solicitation of funds from students must be limited since compulsory attendance laws make the student a captive donor and may also disrupt the program of the schools.

Such fund-raising off school grounds may be permitted by the Superintendent. For any fund-raisers, including those operated by student clubs and organizations, parent groups, or boosters clubs, that involve the sale of food items and/or beverages to students that will be consumed on the school campus (any area of property under the jurisdiction of the school that is accessible to students during the school day) during the school day (the period from the midnight before, to thirty (30) minutes after the end of the official school day), the food items and/or beverages to be sold shall comply with the current USDA Dietary Guidelines for Americans and the USDA Smart Snacks in School nutrition standards, and also be consistent with requirements set forth in Policy 8500 - Food Services.

Fund-raising by students on behalf of school-related organizations whose funds are not managed by the District may be permitted on school grounds by the Superintendent.

Use of the name, logo, or any assets of the District, including, but not limited to facilities, technology, or communication networks, is prohibited without the specific permission of the

## CRIMINAL JUSTICE INFORMATION SECURITY (NON-CRIMINAL JUSTICE AGENCY)

The District is required by State law to have the Michigan State Police (MSP) obtain both a State and a Federal Bureau of Investigation (FBI) criminal history record information (CHRI) background check report for all employees of the District and contractors, vendors and their employees who work on a regular and continuous basis in the District. To assure the security, confidentiality, and integrity of the CHRI background check information received from the MSP/FBI, the following standards are established:

A. Sanctions for Non-Compliance

Employees who fail to comply with this policy and any guidelines issued to implement this policy will be subject to discipline for such violations. Discipline will range from counseling and retraining to discharge, based on the nature and severity of the violation. All violations will be recorded in writing, with the corrective action taken. The Superintendent shall review, approve, sign and date all such corrective actions.

B. Local Agency Security Officer (LASO)

The Superintendent shall be designated as the District's Security Officer and shall be responsible for overall implementation of this policy and for data and system security. This shall include:

1. ensuring that personnel security screening procedures are being followed as set forth in this policy;
2. ensuring that approved and appropriate security measures are in place and working as expected;
3. supporting policy compliance and instituting the incident response reporting procedures;
4. ensuring that the Michigan State Police are promptly informed of any security incidents involving the abuse or breach of the system and/or access to criminal justice information;

5. to the extent applicable, identifying and documenting how District equipment is connected to the Michigan State Police system;
6. to the extent applicable, identify who is using the Michigan State Police approved hardware, software and firmware, and ensuring that no unauthorized individuals have access to these items.

The District's LASO shall be designated on the appropriate form as prescribed and maintained by the Michigan State Police.

C. Agency User Agreements

The District shall enter into any User Agreement required, and future amendments, by the Michigan State Police necessary to access the required CHRI on applicants, volunteers, and all other statutorily required individuals, such as contractors and vendors and their employees assigned to the District. The LASO shall be responsible for the District's compliance with the terms of any such User Agreement.

D. Personnel Security

All individuals that have access to any criminal justice information shall be subject to the following standards:

1. Background Checks - A Michigan (or state of residency if other than Michigan) and a national fingerprint-based criminal history record check shall be conducted within thirty (30) days of assignment to a position with direct access to criminal justice information or with direct responsibility to configure and maintain computer systems and networks with direct access to criminal justice information.
  - a. A felony conviction of any kind will disqualify an individual for access to criminal justice information.

- b. If any other results/records are returned, the individual shall not be granted access until the LASO reviews and determines access is appropriate. This includes, but is not limited to, any record which indicates the individual may be a fugitive or shows arrests without convictions. Such approval shall be recorded in writing, signed, dated and maintained with the individual's file.
    - c. Support personnel, contractors, vendors and custodial workers with access to physically secure locations or controlled areas (during criminal justice information processing) are subject to the same clearance standards as other individuals with access, and must unless they are be escorted by authorized personnel at all times when in these locations or areas.
2. Subsequent Arrest/Conviction - If an individual granted access to criminal justice information is subsequently arrested and/or convicted, access shall be suspended immediately until the matter is reviewed by the LASO to determine if continued access is appropriate. Such determination shall be recorded in writing, signed, dated and maintained with the individual's file. In the event that the LASO has the arrest/conviction, the Superintendent (if not the designated LASO) shall make the determination. Except that, as noted in D(1)(a), individuals with a felony conviction of any kind will have their access permanently suspended.
3. Public Interest Denial - If the LASO determines that access to criminal justice information by any individual would not be in the public interest, access shall be denied whether that person is seeking access or has previously been granted access. Such decision and reasons shall be in writing, signed, dated and maintained in the individual's file.
4. Approval for Access - All requests for access to criminal justice information shall be as specified and approved by the LASO. Any such designee must be an employee of the District.

5. Termination of Employment/Access - Upon termination of employment, all access to criminal justice information shall be terminated for that individual, and steps taken to assure security of such information and any systems at the District to access such information.
6. Transfer/Re-assignment - When an individual who has been granted access to criminal justice information has been transferred or re-assigned to other duties, the LASO shall determine whether continued access is necessary and appropriate. If not, s/he shall take such steps as necessary to block further access to such information. within the twenty-four (24) hour period immediately following the transfer or reassignment.
7. Contractors and Vendors<sup>1</sup> - Prior to granting access to criminal justice information to a contractor or vendor, identification must be verified via a Michigan (or state of residency if other than Michigan) or national fingerprint-based criminal history record check. A felony conviction of any kind, as well as any outstanding arrest warrant, will disqualify a contractor or vendor for access to criminal justice information. A contractor or vendor with misdemeanor offense(s) may be granted access if the LASO determines the nature or severity of the misdemeanor offense(s) does not warrant disqualification. If any other results/records are returned, the individual shall not be granted access until the LASO reviews and determines access is appropriate.

<sup>1</sup> For purposes of Section D.(7.), contractors and vendors are individuals who act on behalf of the District, work on a regular or continuous basis in the District, and are involved in the hiring process of District employees. For example, this might be a third-party provided manager or support staff person working in the personnel department. It does not authorize third party contractors or vendors to directly

The Board shall not permit the use of any type of educational material, program, or equipment in its curricular, co-curricular, or extra-curricular activities or at any time during the school day if such materials, programs, or equipment contain partisan political messages or are designed to persuade students or staff members to acquire a particular product or service offered by a named individual, company, organization, association, or agency.
