Dr. Mark Gotcher, Superintendent

For immediate release

RSD sets date for Class of 2020 'Senior Night in Lights!'

Superintendent Dr. Mark Gotcher, along with Russellville High School Administrators, and the Board of Education have agreed on a creative way to honor our seniors and their families, while following social distancing guidelines passed down from our local and state officials.

On Monday, April 20th at exactly 20:20 (8:20 p.m.), the Cyclone Stadium lights and scoreboard will shine highlighting '20- 20' for 20 minutes and 20 seconds to honor our RHS Class of 2020 graduates in lights.

Families of graduates will enter the North Entrance of the Russellville High School Campus near the tennis courts and continue to drive to the stadium entrance and proceed to exit the campus, as directed, in a timely manner.

In an effort to remain at a safe distance and in compliance with our state guidelines, for 'Senior Night in Lights' to take place all individuals must remain in their vehicles.

Sincerely,

Dr. Mark Gotcher
