

Hello from your Specials Team!

Technology - Hello Sand Creek Families! I am missing all my students and cannot wait to see everyone again! **I will be posting on the Monday of each week a schedule from all specials teachers in my Google Classroom.** In addition to that I will also have your activity from myself. There may be a short video on reminding the student how to complete the assignment. I know some student are using phone or iPads so if something does not work on the device you have do not worry. I have had students send me private messages though Google Classroom or feel free to email me as well. In addition if you have any questions on how to access your students Google Account or Google Classroom please also reach out to me so I can help take that stress away. Looking forward to seeing activities completed in Google Classroom. Mrs. Morgan

 **Physical Education** - Greetings all! I miss seeing your kids and can't wait for the day I am able to see them again. I hope you and your families are staying safe and healthy during these challenging times. My goal for the rest of the school year is to provide you and your students with activities, challenges, and games they can play at home to get them active. **I will be posting in Mrs. Morgan's google classroom and on our "Junior Aggie Athlete's" facebook page.** It would be awesome if you could give it a "like" to stay updated about what's going on in Elementary P.E. at SC! My hope is the students spend at least one day doing one of the activities I post for them and other days that they are moving and being active however they choose to do so! I understand not everyone has equipment for students to be practicing certain skills that we normally would do in P.E, which is why I will try my best to post activities that require limited equipment. Thanks for all you do and I hope we see each other soon. – Mr. Suiter

Art Hi Parents, Please give your kids a big "Hello to my Amazing Artists!" from Mrs. Benko. I'm really missing them and look forward to seeing them when we return to school! My hope is that you're able to complete one creative activity each week. Feel free to adjust my plans as needed, depending on your supplies at home. **I will be posting in Mrs. Morgan's google classroom to our "Little Aggie Artists" Facebook page.** I'd love for you to "like" our page, to see lessons, activities, and updates. Also, e-mail me at natalie.benko@sc-aggies.us with any questions.

Square 1 Art Fundraiser- Stay tuned to my *Little Aggie Artists* Facebook page for details regarding the delivery of your Square 1 Art purchases! Deadlines were pushed back so the method and time of delivery times will vary. You can still order until the end of the school year and purchases going forward will ship directly to your home.

Portfolio Distribution- I have distributed Fifth grade portfolios in their lockers. Parents can pick them up during the scheduled pick-up time. (Details on pick-up times to follow.) Because of time constraints, all other portfolios will be returned to PK-4th grade students this fall.

Music Hello Sand Creek Families! I miss seeing you all and I cannot wait to get back to singing and creating music with you. **Until then, all of the music assignments and activities for all grades are contained in one website. I will have a link to that website contained in Mrs. Morgan's google classroom.** There are many assignments and activities to work through, please, do not think that they have to be all done at once. Doing one activity every week will be perfect, or whatever your changing schedules will allow. If you could, when you access the material or complete an activity, email me with your students name and grade and what you worked on, or snap a quick pic. My email is on the website. Thank you so much for all you're doing and I can't wait to see you all again! Miss. Morris
