Update #7

Dear Stockaders,

Well, Spring break is in the books, and next week we will enter our sixth week of virtual instruction. I certainly appreciate the combined efforts of our students, families, teachers, technology coordinator and principals for the hard work that has enabled our district to continue instruction during this COVID-19 crisis. Thanks also to our essential employees who come to work daily to mow our lawns, pay the bills, maintain our buildings, provide nutritious meals and keep the district moving forward. Thanks also to our board of education members for their support and engagement over the past six weeks.

We continue to monitor local health reports and follow guidance from the Governor's office. Currently, school is scheduled to resume at the beginning of May, but time will tell if this comes to fruition as certain sectors of Ohio begin to open up. For next week, April 20-24, we will continue our virtual lessons. Please continue to work diligently on these lessons with your child. With only essential employees working at both building sites, our first priority continues to be keeping our students and staff safe hoping this will pay dividends down the road.

Please continue to stay safe, and I wish you a restful afternoon as we all prepare to shovel snow tomorrow! Got to love Ohio weather!

Tom Peiffer

Superintendent
