April 16, 2020

Dear Parents/Guardians, Staff and Students,

Today New Jersey Governor Phil Murphy, advised that remote learning will continue after spring break, April 20, 2020, until May 15, 2020. If you have any questions regarding the continuation of remote learning, please feel free to contact your child's school counselor or school administrator. We will continue to provide each learner with high quality remote instruction during this very difficult time. We are confident that with a team approach, our students will continue to be successful. Thank you for your ongoing support and dedication to our learning community. Stay safe and be encouraged!

Sincerely,

Nadine Tribbett
