Macon County School Families,

Our greatest fear was realized yesterday when Governor Bill Lee recommended that Tennessee schools remain closed for the remainder of the 2019-2020 school year and it is with great sadness that I announce the closure of Macon County Schools through May 22nd 2020. We want to ensure that our students, families, and employees remain safe and healthy during this time. Our teachers will continue to provide distance learning activities for our students during this closure. Food service will continue to provide meals two days a week during the closure as well.

Macon County School System loves their seniors and we remain committed to having prom and graduation ceremonies for the Class of 2020. We are looking at the possibility of mid-June dates for these events depending on the lifting of the governor's stay at home order. Senior awards and scholarships for the Class of 2020 will be announced during the graduation ceremonies.

Dates for the distribution of fund raisers, yearbooks and spring pictures will be forthcoming from each school. There have been some questions about student personal items still at school and how those items will be retrieved. Procedures and dates for this will be announced soon.

The Macon County School System appreciates everyone's patience and understanding during these unprecedented times.

Tony Boles
Macon County Director
