### 2019-2020 Scholarship Offerings

April 14, 2020

Dear Hancock County Technical Center Graduating Seniors:

The Rotary Club of Ellsworth is once again pleased to offer graduating class members who are post-secondary program or college bound an opportunity to apply for one of our scholarships. Our scholarship program is highlighted below, and the following page includes the application for these scholarships.

#### **General Excellence Scholarships**

Our club respects the value of vocation to our members and to our communities. We are pleased to let you know that this year we are offering a maximum of two \$1,000 scholarships based on a completed, returned application that is then evaluated on criteria such as academics, need, community service and school engagement. Complete one application only to be considered for any one of the above scholarships.

All application materials are available through your guidance office and must be turned into the guidance office by **May 15, 2020**. Recipients awarded a Scholarship will be notified via mail.

Questions regarding the application can be directed to the HCTC school guidance office.

Best wishes for your future plans,

The Rotary Club of Ellsworth Rotarians
