## Things to remember:

- \*A sentence begins with a capital letter, ends with a punctuation mark, and makes sense! Use your finger as a Spaceman also!
- \*These activities should not take more than 30 45 minutes. Go at a comfortable pace, divide the activities up throughout the day if needed.
- \*Repitition is the key to learning new words! Read it frequently throughout the day, tape it on doors, cabinets, or the refrigerator and use it as a password that you have to read before opening.
