March 31, 2020

Dear Salt Creek District 48 Parents:

I hope this message finds you and your families safe and well. Today, Illinois Governor Pritzker announced that e-learning in Illinois will be extended through April 30, 2020 in order to slow down the spread of COVID-19.

During this time, **on-site learning will remain suspended** but our schools' commitment to learning and education will remain open and learning will continue for all students, just through a different format.

While it is not ideal, we want to assure you that at Salt Creek District 48, our teachers and staff are fully engaged and willing to take on this new challenge and push forward with e-learning, engaging with students, and continuing with our food distribution program. We will continue to evaluate how we deliver our instruction and I know that this process will continue to evolve.

I know this is not the school year that any of us imagined, but I want to thank you for your patience and understanding as we have dealt with this unprecedented situation together. As a recap, here are the three priorities for our leadership and planning moving forward:

Priority 1 - Feed and care for the extended safety, health, and welfare of students, families, non-student children, staff, and community at large.

(Our next meal distribution will be on Tuesday, April 7, 2020 at Albright Middle School from 10:00 am to 12: 00pm.)

Priority 2 - Communicate clearly; share coherent, organized and controlled messages with our stakeholders.

Priority 3 - Provide for the continuity of learning in Illinois.

Further information about preschool registration, kindergarten registration, and additional school updates will be provided after spring break. Thank you for your patience and support. We can't wait to see our students and our families and my hope is that this is sooner than later. In the interim, we will remain D48 Strong.

"Teaching Tomorrow's Leaders"
