

OEAS Technology & Learning Packet Deployment Process

Student(s) who have a device/computer & Wifi:

You are all set! You do not need to do anything other than follow the directive from your teacher or check your school email account for Google Classroom codes or log into your Schoology account for notifications. Your digital learning opportunity will begin on April 20th.

Student(s) who have access to Wifi but need a device:

Pick-up Days for Chromebooks:

- ◆ Monday April 20, 11:00-1:00 and 4:00-6:00
- ◆ Friday April 24, 11:00-1:00 and 4:00-6:00

*Families with multiple students in various grade levels can come on the day that is most convenient.

Process:

- Enter the main student/athletics parking lot. Pull in front of the main gym entrance
- State your child's name and grade. We will deliver the device to your vehicle
- You do not need to get out of your vehicle.

Student(s) who do not have access to Wifi and will need learning packets:

Pick-up Day for Learning Packets:

- ◆ Friday April 24, 11:00-1:00 and 4:00-6:00

Process:

- Enter the main student/athletics parking lot. Pull in front of the main gym entrance
- State your child's name and grade. We will deliver the packet to your vehicle
- You do not need to get out of your vehicle.

Frequently Asked Questions regarding this process:

Q: Parents are not available during their specified pick up day/time. Can they pick up on another day?

A: YES, contact your building principal if you are not able to be at the pick up times.

Q: Parents answered YES that a student has a device at home on the tech survey. Can they pick up another device?

A: NO-If you have a working device we prefer you use yours. You can contact your child's building principal if the device stops working to check out a Chromebook at a later time.

Q: Parents answered NO they do not have the internet at home. Can they get a device?

A: NO- If you do not have the internet, Chromebooks will not be able to assist your child in the learning process.

Q: Does each student who does not have a device get a school-owned device?

A: Any student that needs a device can have one if they indicated they needed one.

Q: Can students get a device AND a packet?

A: NO

Q: If parents would rather have a packet than a device, can they get a packet?

A: YES

Q: If we change our minds and prefer a packet at a later date, can we get a packet later?

A: YES-Contact your child's building principal
