Dear Parents/Guardians,

Our students take the NWEA Map Growth tests in the fall, winter and spring of each school year. We use this information as one piece of the puzzle to provide necessary support, interventions and/or enrichment for our students.

Attached you will find a copy of the most recent NWEA Map Growth results. The NWEA Family Report is helpful in understanding more details regarding this adaptive test. Please keep in mind this is one assessment, of many, that we use to better inform our instruction.

If you have any questions about this mid-year report, please do not hesitate to contact your child's teacher for more information.

Thank you,

Mrs. Yeaster, Principal
