April 20, 2020

Covid 19 update from Lockwood Schools

As you probably know our Governor in consultation with health professionals has decided to close all public schools for the remainder of the year. We had hoped to be able to return before the end of the year but now that we know this won't happen we are working to make decisions on finishing out the year. Please read the following updates and stay tuned for updates to come.

### ***Academics:***

Our third and last enrichment packet will be available for pick up on Friday April 24th during lunch distribution at the high school. If you prefer to access your enrichment packet online it will be available on google classroom as well. The previous enrichment packets may be turned in on Friday when you come to pick up your new packet. We have partnered with Stockton schools in the past for summer school. If summer school becomes an option with Stockton we will send out information about that as soon as we know something.

### ***Meals:***

Meals will continue to be provided in the high school circle drive Monday - Friday. We will continue to provide meals through Tuesday May 12th.

### ***Activities:***

As we released previously Prom has been rescheduled for July 25th. We are currently working on a plan for Graduation at a later date. We will update you as soon as the time and date is set. Due to school being cancelled for the remainder of the year so are athletic events. We will continue to monitor the situation and the health guidelines for summer activities. If we see a possibility for us to start getting student athletes together for workouts, contact days or even sporting events we will update you further at that time. Coaches will be working on potential summer calendars with the hope of having summer contact days.

Again, I appreciate your patience and understanding during this time. I hope that everyone is able to stay healthy and that we will be back to our usual summer schedules as soon as possible.

Respectfully,

Clay Lasater

Superintendent Lockwood Schools
