

On April 16, Governor Evers ordered that schools remain closed for the duration of the 2019-2020 school year. As a result, Phase III of the School District of Mondovi response to COVID-19 will begin on Monday, April 27. Elementary, Middle, and High School Administration and Staff will be in communication in the near future on those plans. Stay safe. We are all in this together."

Gregory K. Corning, Ed.S.  
Superintendent  
School District of Mondovi  
337 N Jackson Street  
Mondovi, WI 54755
