Bremen Public Schools Education Endowment Fund

Across America, communities have organized private endowments to supplement their public schools. Endowment principal is not spent; instead it is carefully invested to yield a steady, reliable source of income in perpetuity. A strong endowment can help insulate a public school system from short-term economic pressures, while helping to maintain financial stability and academic excellence.

Bremen Public Schools has taken a major step by establishing the **Bremen Public Schools Education Endowment Fund** at the Marshall County Community Foundation. The purpose for the endowment is to help fund projects and programs that expand educational opportunities, foster creativity and enhance academic experiences for all Bremen school children. Endowment dollars will supplement the Bremen Public Schools budget, not replace local or state funding.

The Bremen Public Schools Education Endowment is professionally managed and invested under the supervision of a community-based Investment Committee at the Marshall County Community Foundation. This endowment provides a practical way for families, alumni, businesses and other concerned citizens to make a long-term investment in the quality of our public schools and, ultimately, our children's future.

The Marshall County Community Foundation is committed to the long-term growth and security of the Bremen Public Schools Education Endowment Fund which is why Bremen Public Schools has formed an important partnership.

Please consider making a contribution, in any amount, to the Bremen Public Schools Education Endowment Fund at the Marshall County Community Foundation. You can use our contribution form to make a donation or go to the Marshall County Community Foundation website, www.marshallcountycf.org to make a donation on-line to the Bremen Public Schools Education Endowment Fund.

Please be assured that everyone at Bremen Public Schools considers it a privilege and an honor to educated children. We are confident that our endowment fund will strengthen our future efforts.

Thank you for your generous donation!

Our mission is to work collaboratively to provide a safe, nurturing environment where students are empowered academically and socially to succeed in life.
